TAX APPORTIONMENT REPORT  
FOR  
GENESEE COUNTY, MICHIGAN

Prepared by:

GENESEE COUNTY  
EQUALIZATION DEPARTMENT

TO THE HONORABLE CHAIRPERSON AND MEMBERS OF THE GENESEE COUNTY BOARD OF COMMISSIONERS, GENESEE COUNTY, MICHIGAN

LADIES AND GENTLEMEN:

WHEREAS, the County Clerk ("the Clerk") has presented to this Board of Commissioners of Genesee County, Michigan ("this Board") at this Board's session of October 19, 2010, all the certain, certified copies of statements and certificates, and of records and resolutions, authorizing or directing moneys to be raised by taxation in the townships, cities, villages and other taxing units or agencies within Genesee County, for township, school, highway, drain, and other purposes, such statements, certificates, records and resolutions being those delivered by the township supervisors or other tax assessing, collecting or responsible certifying officers or agencies within Genesee County to the Clerk for the 2010 levy and assessment of taxes, being the levy and assessment mandated by Michigan Compiled Laws section 211.37 to be determined and directed by this Board; and

WHEREAS, the Clerk also has presented to this Board, at this session, the 2010 Partial Tax Apportionment Report for Genesee County, Michigan ("the 2010 Partial Tax Report"), as prepared by the Genesee County Department of Equalization ("the Equalization Department"), which report sets forth various moneys proposed to be raised for county, township, city, village, school, highway, drain and other purposes; and

WHEREAS, this Board has considered the money needed to be raised for various purposes through such tax levies in Genesee County, including without limitation the moneys needed by Genesee County itself, and this Board has considered the 2010 Partial Tax Report, which is attached hereto and incorporated herein by reference, and does approve the various rates, millages, levies, valuations, assessments and apportionments set forth in said 2010 Partial Tax Report; and

WHEREAS, this Board has received, from multiple taxpayers in the township commonly known as Clayton Charter Township ("Clayton Township"), objections to that Township's General Operating millage for 2010 as certified by the Township; and

WHEREAS, the Chairperson of this Board has requested that County Corporation Counsel review and submit to this Board his opinion upon the proper 2010 General Operating millage for Clayton Township, which request for opinion this Board here ratifies; and

WHEREAS, pending receipt of Corporation Counsel's opinion, this Board is deferring any determination as to the 2010 General Operating millage in Clayton Township, and, reflecting that deferral, the 2010 Partial Tax Report contains no approved levy of such a millage and is for that reason only a Partial Report, it being

the intent of this Board to make a determination as to that millage during this month of October, 2010.

NOW, THEREFORE, BE IT RESOLVED, by this Board, that it is ascertained and determined that there is to be raised through the said 2010 levy and assessment of general, ad valorem property taxes, the amounts of money that would be raised by applying the millages set forth in the vertical columns as to the respective cities and townships in the 2010 Partial Tax Report, and that there is to be raised through the 2010 levy and assessment of the commercial facilities and industrial facilities taxes the amounts of money that would be raised by applying the millages set forth in entries, if any, as to the respective cities and townships under the headings "CFT/IFT SPECIFIC TAX LEVY" in the 2010 Partial Tax Report, and that it is determined that all of said taxes shall be apportioned as indicated in the 2010 Partial Tax Report.

BE IT FURTHER RESOLVED, that the 6 mill State Education Tax is apportioned to the State of Michigan and that there is no other tax or indebtedness to the State of Michigan to be apportioned.

BE IT FURTHER RESOLVED, that the raising of such amounts of moneys as are set forth for township, school, highway, drain and all other purposes, in the 2010 Partial Tax Report, are by this Board determined and found to be authorized by law, and the collection of special assessments listed therein hereby is authorized to be performed.

BE IT FURTHER RESOLVED, that it is determined that the values of property, both real and personal in the County, for purposes of the 2010 levy and assessment are as set forth in the 2010 Partial Tax Report, and that, this Board directs that such of the several amounts of moneys, as are set forth in the 2010 Partial Tax Report to be raised for township, school, highway, drain, and all other purposes, be spread upon the assessment rolls of the proper townships, cities and villages as set forth in the 2010 Partial Tax Report, which direction hereby is and shall be expressed in terms of millages as stated in the 2010 Partial Tax Report, to be spread against the taxable values as to ad valorem taxes, or, in the cases of the commercial facilities and industrial facilities taxes, against the equivalent values, of properties.

BE IT FURTHER RESOLVED, that the Genesee County Equalization Director shall forthwith transmit to the assessing officer of each assessing unit in Genesee County respective certified copies of this resolution.

BE IT FURTHER RESOLVED, that these actions, directions, and determinations of this Board as set forth precedingly in this Resolution are hereby entered in full, and directed to be entered in full, upon the records of the proceedings of this Board.

BE IT FURTHER RESOLVED, that whereas certain local units of government have not yet supplied the Equalization Department with final, complete data as to such units, it is the intent of this Board to hereafter amend the 2010 Partial Tax Report so as to include such data at such time as the Equalization Department has received all such data and has had an opportunity to prepare such a revised 2010 Partial Tax Report, this Board also reserving the right to make any other amendments to said 2010 Partial Tax Report as shall appear required, such amendments including, but not necessarily being limited to, inclusion of a General Operating millage for Clayton Township.

BE IT FURTHER RESOLVED, that:

1. Corporation Counsel is directed to attach to his opinion regarding the Clayton Township 2010 General Operating millage a proposed resolution for this Board which would amend the 2010 Partial Tax Report to approve a Clayton Township General Operating millage consistent with Corporation Counsel's opinion, which resolution could also contain other provisions relating to that millage.
2. If Corporation Counsel's opinion is not supportive of the 3.24 2010 General Operating mills which have been currently certified by Clayton Township, Corporation Counsel is directed to also attach to his opinion a proposed resolution for this Board which would amend the 2010 Partial Tax Report to approve the 3.24 2010 General Operating mills certified by Clayton Township, which resolution could also contain other provisions relating to that millage.
3. Either of the proposed resolutions respectively referenced in subparagraphs 1 and 2 above may be considered by this Board, upon motion by a member for adoption and support from another member, without having met this Board's usually applicable other requirements for consideration of a resolution.
4. If one of the proposed resolutions referenced in subparagraphs 1 and 2 above is moved and supported, and then disapproved, the other of those resolutions may then be considered by this Board, upon motion and support, without having met this Board's usually applicable other requirements for consideration of a resolution.
5. Then entire matter of the 2010 Clayton Township General Operating millage may be fully discussed by this Board, Corporation counsel, representatives of Clayton Township, and any Clayton Township taxpayers who wish to be heard, at the anticipated additional meeting of this Board, prior to any

resolution regarding that millage having been moved and supported at that meeting.

6. The Bylaws of this Board will be temporarily suspended, pursuant to this present Resolution, for the limited purpose, and only to the extent required for that purpose, of permitting proceeding at the anticipated additional meeting of this Board, with reference to the 2010 Clayton Township General Operating millage, as provided in subparagraphs 3 through 5 above.
