SELEPAK SENTENCED TO THREE LIFE SENTENCES

June 8, 2006

FLINT, MI – Patrick Alan Selepak was sentenced to three life sentences today by Genesee County Circuit Judge Geoffrey Neithercut for the murder of Winfield “Fred” Johnson of Vienna Township and the armed robbery of a Dunham’s Sports store in Flint Township. Selepak had plead guilty on May 9th to first degree murder, armed robbery, carjacking, and other weapons charges brought by Genesee County Prosecutor David Leyton.

“Three life sentences is an appropriate sentence in this case but it will never begin to compensate Mr. Johnson’s family for their devastating loss,” commented Prosecutor Leyton after sentencing was imposed.
