MAN CHARGED WITH MURDER IN GRAND BLANC TWP.

March 2, 2007

FLINT, MI – A Grand Blanc Township man has been arraigned on a murder charge in the beating death of another man said Genesee County Prosecutor David Leyton.

According to the police investigation submitted to the Prosecutor's office, Dana S. Sebastian, 44, beat Kaneco Parson, 21, with a small sledgehammer in the kitchen of a home that Sebastian was renting. Prosecutor Leyton indicated that the slaying was the result of a dispute over a drug debt.

"Once again, we have seen the violent, ugly consequences of illegal drugs in our society," said Leyton. "Illegal drugs wreak so many lives and it isn't just confined to the inner-city neighborhoods as this case clearly demonstrates."

Sebastian is being held on a \$1-million cash bond in the Genesee County Jail. A preliminary examination in 67th District Court is set for March 14th.
