ADDENDUM #3
RFP #14-017 ALCOHOL TREATMENT PROGRAM
FOR GENESEE COUNTY COMMUNITY CORRECTIONS (GCCC)

1. Please include the following question and answer as part of the above referenced RFP.
 - Q1. On page 11, several terms/abbreviations are used, i.e., (SGL, Straddle, Presumptive, Intermediate Cells, and PV's) that are specific to your field. Please explain these terms.**
 - A.1 SGL stands for Sentence Guideline and PV stands for Probation Violation. The following, Intermediate, Straddle, and Presumptive are types of categories an offender would fall into based on the type of offense. For example, first degree murder would be Presumptive (Prison Bound).
 - Q2. The RFP notes that the 3 phase treatment program is 6 months long and the first two phases occur within the first 6 months. My question is how and when does phase 3 fit in with this RFP?**
 - A2. See addendum 2 questions 1 & 2 for the how and when of phase 3.
 - Q3. Is phase 3 a part of another service outside of the RFP or is there the expectation that the treatment provider is to provide services for phase 3? If so, what are those expectations?**
 - A3. Yes, the successful proposer is expected to provide phase 3 if required, services will be a continuation of the individual and group sessions.
