ADDENDUM #1
REQUEST FOR QUALIFICATIONS #14-033
PROCUREMENT SYSTEM AND SUPPORTING SERVICES FOR GENESEE COUNTY

1. Please include the following questions and answers, as part of the above mentioned RFP.
- Q1. I have a couple questions regarding the request for financial information and it's driven by the fact that we are privately held and that info is extremely confidential. First I wonder if that info could be provided not as part of the RFQ response but rather reviewed in person as part of the process rather than providing copies, etc.? Second are there other options to express our financial strength rather than providing financials or tax returns that are acceptable? This may include letters from our Accounting firm, lawyer, banking institution, etc?
- A1. Yes a letter from your accounting firm/banking institution would be acceptable proof of financial stability at this point, as the selection process continues more information may be necessary and it would be good to indicate in the letter what would be available if additional review is necessary.
- Q2. Is the county's annual revenue greater than \$500 million?
- A2. No. See the county website for more information,
