ATTACHMENT 1:

LEGAL ASSISTANCE: DEFINITION, ALLOWABLE COMPONENTS and MINIMUM STANDARDS

Service Definition:

Provision of legal advice and representation by an attorney (including counseling or other appropriate assistance by a paralegal or law student under the supervision of an attorney), and counseling or representation by a non-lawyer, where permitted by law.

Allowable Service Components:

Intake. The initial interview to collect demographic data and identification of the client's legal difficulties and questions.

Advice and Counsel. Where the client is offered an informed opinion, possible course of action and clarifications of his/her rights under the law.

Referral. If a legal assistance program is unable to assist a client with the course of action that he/she wishes to take, an appropriate referral should be made. Referral may also be necessary when legal services providers observe individual needs which they are unable to resolve, such as income maintenance, social service or health service needs.

Representation. If the client's problem requires more than advice and counsel and the case is not referred to another source, the program may represent the person in order to achieve a solution to the legal problem. Representation may include legal research, negotiation, preparation of legal documents, correspondence, appearance at administrative hearings or courts of law, and legal appeals where appropriate.

Legal Research. The gathering of information about laws, rights or interpretation of laws that may be performed at any point after intake has occurred, to resolve an individual's legal problems. Such information will be used to assist providers of legal services in counseling individuals, in representing them in hearings and a court of law, or in negotiations with potential legal adversaries.

Preparation of Legal Documents. Writing documents that serve to protect individual rights, such as contracts, wills, or leases, which might later be used in a court of law.

Negotiation. As the client's representative, program staff may contact other persons concerned with the client's legal problem in order to clarify factual or legal contentions and possibly reach an agreement to settle legal claims.

Legal Education. Preparation and presentation of programs to inform elderly persons of their rights, the legal system, and alternative courses of legal action.

Minimum Standards:

1. Each Legal Assistance program shall have an established system for locating and serving those in greatest social and economic need.
2. Service shall be provided by, supervised by, or have direct contact with an attorney licensed to practice law in the State of Michigan who can perform or supervise any of the components listed above.
3. A paralegal, defined as an individual trained in accredited paralegal courses or in the specific legal service subject areas in which they will be assisting an attorney or law student, with under 30 hours of course work under the supervision and guidance of a licensed attorney, may perform any of the components listed above as allowed under state law and the Professional Rules of Conduct, with the exceptions of representation in court and final review of legal documents. Although a paralegal may represent a client at an administrative hearing, representation in court shall be by an attorney. Preparation of legal documents may be assigned to a paralegal. However, all finalized documents shall be reviewed and approved by an attorney.
4. Law students who have completed 30 hours of course work at an accredited law school may perform any of the service components under Legal Assistance as allowed under state law and the Professional Rules of Conduct while acting under the guidance and supervision of a licensed attorney.
5. The program may support initiative of a class action suit when a large group of seniors are affected by a legal inequity.
6. Each program shall provide, at a minimum, advice, counsel, representation and education components.
7. Each program shall demonstrate coordination with local long-term care advocacy programs operating within the project area.
8. When a legal assistance program identifies issues affecting clients which may be remedied by legislative action, such issues shall be brought to the attention of Genesee County Board of Commissioners, the Area Agencies on Aging, Michigan Office of Services to the Aging and/or the Michigan Legal Services legislative branch, as permissible and appropriate.
9. Each program shall provide assurance that it operates in compliance with regulations promulgated under the Older Americans Act, as set forth in 45 CFR § 1321, and the Older Michiganians Act.
10. Each provider that is not a Legal Services Corporation project grantee shall have a system to coordinate its services with existing Legal Services Corporation projects in the areas of planning and service to concentrate the use of funds provided under this RFP to individuals with the greatest social and economic need.

11. Each program shall make reasonable efforts to maintain existing levels of legal assistance for older individuals being furnished with funds from sources other than the County millage funds.
12. A legal assistance provider may not be required to reveal any information that is protected by attorney/client privilege. Each provider shall make available non-privileged, non-confidential and unprotected information which will enable the County to perform monitoring of the provider's performance under contract with regard to these operating standards.
13. Each program must give priority to legal assistance related to: protective services, abuse, neglect, defense of guardianships and conservatorships, long-term care, health care, housing, nutrition, income, utilities, and discrimination.

Hereinafter referred to as the “**COUNTY**”

(City, State, Zip)

Hereinafter referred to as the “**CONTRACTOR**”

For the period from October 1, 2018 through September 30, 2019

Whereas, the COUNTY published a Request for Proposals (“RFP”) # 18-135 for a Program of Services titled “Legal Services for the Genesee County Office of Senior Services” (hereinafter referred to as “Services”); and

Whereas, CONTRACTOR submitted a Proposal in response to RFP # 18-135 for the provision of Services; and

Whereas, the COUNTY desires to enter into a contractual agreement with the CONTRACTOR for the provision of Services set forth herein;

Now, therefore, in consideration of the premises and mutual covenants herein contained, the parties agree as follows:

A. PURPOSE:

This Contract is entered into for the purpose of retaining CONTRACTOR to provide Legal Services funded by Senior Citizen Services millage dollars to individuals 60 years of age or older who reside in Genesee County.

B. THE CONTRACTOR AGREES:

1. To accept the terms of this Contract and to undertake, perform and complete the Services described in RFP # 18-135 and Addenda (“the RFP”), and in CONTRACTOR’S Proposal in response to RFP # 18-135 (“Proposal”), which are hereby incorporated into this Contract by reference and included as Attachments A and B, respectively, and in CONTRACTOR’S budget, included as Attachment G to this Contract. If a

conflict exists between this document and those incorporated by reference, this document governs.

2. That this Contract is effective for the term stated upon approval by the Genesee County Board of Commissioners.
3. To provide proof of insurances as required in Section 8 of the RFP within 15 days of the signing of this contract. Endorsements naming the COUNTY as an additional insured must be provided prior to initiation of Services. This provision may be satisfied by verification and proof of a "Blanket Additional Insurance Contract Form or Endorsement" provided with the Insurance Certificates. Documentation provided under this subparagraph will include a statement by the insurer that the COUNTY will be notified of any and all insurance cancellation at least 30 days prior to the effective date of cancellation of the respective policies. However, cancellation for non-payment of premium shall be noticed a minimum of ten days prior to cancellation.
4. To accept the conditions, requirements and obligations described and listed in Attachment C, Business Associate Agreement, if that Attachment is listed in Section D below.
5. To establish safeguards to prohibit conflicts of interest involving CONTRACTOR employees, prohibiting them from being involved in activities that are motivated by a desire for private gain for themselves or others with whom they have family, business or personal ties.
6. That failure by the COUNTY to insist upon strict adherence to any terms of this Contract shall not be considered a waiver or deprive the COUNTY of the right thereafter to insist upon strict adherence to that term, or any other term, of this Contract.
7. To provide the necessary administrative, professional and technical staff in the required ratio and number with qualifications as designated in its proposal for operation of the program.
8. That title to any approved equipment (defined as tangible, non-expendable, personal property having useful life of more than 1 year and an acquisition cost of \$250.00 or more per unit) purchases supported in whole or in substantial part by millage funds shall vest with the County of Genesee upon acquisition. Equipment purchases not included in the submitted budget are automatically unapproved. Purchases of office furniture or furnishings are not eligible for reimbursement and are, therefore, disapproved.
9. To notify the Contract Administrator of damage, theft or replacement of any equipment purchased with Senior Millage funds within 48 hours of such occurrence. When applicable, a copy of the police report must be

submitted to the Senior Administrator within two weeks of the occurrence. The CONTRACTOR further agrees to repair or replace damaged or stolen equipment or to reimburse the COUNTY with the millage funded purchase cost utilizing non-senior millage funds. Failure to repair or replace such equipment shall result in repayment to the COUNTY of the millage funded purchase cost by reducing payments to the CONTRACTOR of submitted reimbursement requests by the cost of the equipment until repayment has been achieved.

10. To utilize all report forms as required under the RFP, as well as those included in this document as Attachment D, including the Monthly Invoice Form and the Monthly New Client Address Form (to be sent electronically each month in Excel format) and reporting formats required by the COUNTY as of the effective date of this Contract, and to provide the COUNTY with timely review and commentary on any new report forms and reporting formats proposed for issuance thereafter. The CONTRACTOR will also provide the County an annual breakdown of financial data, regarding services provided, by Local Unit of Government (LUG).
11. To perform annual criminal background checks on paid staff or volunteers with access to personal information or that have personal contact with the senior clients. See Attachment B. The CONTRACTOR further agrees that costs associated with persons meeting the following criteria will not be paid utilizing senior millage funds:

 - b. Persons having a felony charge pending in this state or elsewhere; or
 - c. Persons having a misdemeanor conviction in this state or elsewhere within the last 10 years involving theft, assault, battery or drug related crimes; or
 - d. Persons having a misdemeanor charge pending in this state or elsewhere involving theft, assault, battery or drug related crimes.

The COUNTY retains the right to deny reimbursement for salary requests, or recapture paid reimbursements by withholding from future requests, if it determines that the individual for whom the request is/was made falls within any of the above categories.

12. To provide annually documentation demonstrating appropriate licenses, criminal background checks, and negative tuberculosis tests for employees as specified in the RFP and subparagraph B. 11 above. The CONTRACTOR further agrees to comply with the State of Michigan Department of Labor & Economic Growth, "Occupational Health Standards Part 554 Bloodborne Infectious Diseases" (MIOSHA Part 554)

including "Part 554 Bloodborne Infectious Diseases Standard Requirements for Training" using the rules provided in Attachment F to this Contract. Documentation for existing workers or volunteers shall be performed and provided to the County within fifteen days of the signing of this Contract. Testing, licenses (if appropriate) and criminal background checks for new hires or new volunteers shall be performed and provided to the County within fifteen days of their commencement.

13. To perform and provide to the COUNTY an annual financial audit of its operation by the end of the first quarter of the term of the Contract. Failure to timely provide the audit or to receive an extension of time from the Contract Administrator within which to satisfy this requirement will result in withholding of reimbursements for the performance period.
14. To include the following statement in or on all printed materials, newsletters, surveys, website, special events, programs, registration materials, advertisements, DVDs, CDs, program presentations, etc.: *"This program and/or service is funded in whole or in part by Genesee County Senior Millage funds. Your tax dollars are at work."*
15. That Senior Millage funds may not be used to provide increases in salaries or compensation packages for any employee or contractor, unless required by a collective bargaining agreement existing as of October 1, 2010 or unless a wage increase is required to comply with any state or federal minimum wage law.
16. That overnight travel funded by Senior Millage dollars shall be approved in advance by the Genesee County Board of Commissioners. The CONTRACTOR agrees to adhere to its own travel regulations or, in the absence of such acceptable regulations, to the Genesee County Travel Regulations as set forth in Attachment H to this Contract. Notwithstanding the preceding, no overnight travel reimbursements shall be made from Senior Millage funds without prior approval of the Genesee County Board of Commissioners. Additionally, reimbursement costs for any travel shall not exceed those rates set forth in the Genesee County Travel Regulations.
17. That political campaign intervention, including directly or indirectly participating in, or intervening in, any political campaign on behalf, or in opposition, of any candidate for elective public office is prohibited. Political campaign intervention includes:
 - Contributing to political campaign funds;
 - Making public statements of position (verbal or written) by or on behalf of the CONTRACTOR in favor of or opposition to any candidate for public office;
 - Distributing statements prepared by others that favor or oppose any candidate for public office;

- Allowing a candidate to use the CONTRACTOR'S assets or facilities, if the equivalent opportunity is not provided to all other candidates;
- Making partisan comments in official publications of the CONTRACTOR or at official functions of the contractor;
- Political fund raising at the CONTRACTOR'S place of business.

Political campaign intervention does not include:

- Taking a position on public policy issues as a CONTRACTOR, so long as the message does not favor or oppose a certain candidate or otherwise violate the political campaign intervention prohibition;
- Promotion of voter registration in a non-partisan manner;
- Encouragement of voter participation in a non-partisan manner;
- Providing voter education / voter guides in a non-partisan manner;
- Non-partisan candidate forums or debates at the CONTRACTOR'S facilities;
- Candidates appearing or speaking at events of the CONTRACTOR in a non-candidate capacity;
- Supporting the Senior Millage.

18. That the CONTRACTOR is responsible for all Services performed under this Contract. If a Subcontractor is used, CONTRACTOR is the sole point of contact with regard to contractual matters, including payment of all charges resulting from the Contract, regardless of who actually provides the service. CONTRACTOR shall notify COUNTY of any subcontractors to be utilized prior to their use. The COUNTY reserves the right to approve or reject any proposed subcontractor.

C. FURTHER, IT IS UNDERSTOOD AND AGREED BETWEEN THE PARTIES THAT:

1. This Contract shall commence on October 1, 2018 and continue through September 30, 2019 (the "Initial Term"). The Board has the option to extend this Contract for up to two (2) additional one year terms (the Extension Terms") at the rates provided in CONTRACTOR'S proposal by providing CONTRACTOR with written notice thirty (30) days prior to the termination date of the Initial Term on the COUNTY'S election to exercise the option.
2. The COUNTY agrees to compensate the CONTRACTOR for the term of the Contract an amount not to exceed \$XXXXXX for costs of budgetary items described and included within the CONTRACTOR'S Proposal.

Reimbursements will be disbursed on a monthly basis at the rate and monthly maximum amount as set forth in Paragraph H.2 for the service agreed upon for the duration of the Contract term.

3. Subject to availability and other applicable conditions, the COUNTY agrees to provide funding throughout the term of this Contract.
4. The CONTRACTOR, its agents, and employees are independent contractors and are not the employees of the COUNTY.
5. CONTRACTOR is encouraged to provide its clients with the opportunity to make financial donations. All donations not limited in use by the donor must be used to provide additional services, as opposed to supporting other expenses. Donations must be reported to Genesee County on the monthly invoice form.
 - a. If donations are to be allowed, CONTRACTOR must offer this voluntary opportunity to the client in a manner that allows for the donation, or lack thereof, to remain confidential. No one shall be denied service for failing to make a donation.
 - b. CONTRACTOR must develop a written procedure for the handling of donations. This procedure must include at a minimum: daily counting and recording of donations by two individuals; method of deposit into a financial institution; monthly reconciliation of deposit records and collection records by a third party who was not involved in counting or depositing the donations.
6. That the COUNTY may, at reasonable times and without notice, visit and inspect the CONTRACTOR'S facilities and discuss or survey the CONTRACTOR'S activities with designated staff.
7. That the COUNTY, or any other representatives designated by the COUNTY, has the right to examine, upon reasonable notice, all records, books and papers related to the performance of activities which are the subject of this Contract.
8. The contract administrator for this Contract is Lynn M. Radzilowski, Senior Services Director, GCOSS, or her designee (the "Contract Administrator"). The CONTRACTOR acknowledges that the Contract Administrator is the primary COUNTY contact for notices and instructions related to this Contract. The CONTRACTOR agrees to provide a copy of all notices related to this Contract to the Contract Administrator.

2. This Contract may be terminated by the COUNTY upon thirty days written notice to the CONTRACTOR due to convenience or diminution of funds.
3. This Contract may be terminated by the COUNTY upon seven days written notice should the CONTRACTOR be found to have failed to perform its services in a manner satisfactory to the COUNTY as per contract requirements. COUNTY will provide CONTRACTOR notice and a reasonable opportunity to cure service performance deemed to be non-satisfactory. However, the COUNTY shall be the sole judge of what constitutes a reasonable opportunity and non-satisfactory performance.
4. This Contract may be terminated immediately without further liability to the COUNTY if the CONTRACTOR, or an official of the CONTRACTOR, is found guilty of any activity referenced in Section I. Assurances, of this Contract.
5. In the event the COUNTY determines not to proceed further with this Contract during its term, the CONTRACTOR may retain all sums paid by the COUNTY for approved expenses incurred and for satisfactory work actually performed at the above stated fee structure. In this event, COUNTY will be liable for satisfactory services performed prior to the COUNTY'S notification of its intent to terminate the Contract and, upon full payment, the other obligations of either party to this Contract shall terminate except for the non-disclosure of information and non-solicitation of personnel as stated herein. Notwithstanding the preceding, COUNTY retains the right to demand and obtain repayment of any funds paid to CONTRACTOR, including withholding as offset

from amounts claimed due by CONTRACTOR that the COUNTY deems to have been paid in error, for services not authorized under the Contract, or for non-satisfactory services.

G. REPORTING REQUIREMENTS

CONTRACTOR will provide the COUNTY with monthly reports using the formats provided in Attachment D and following the criteria as established and outlined in the RFP. CONTRACTOR will also provide on monthly basis a compilation, or copies, of Client Satisfaction Surveys providing information similar to that in the sample form found in Attachment E.

H. REIMBURSEMENT METHOD

1. The COUNTY shall reimburse the CONTRACTOR for Services provided during the duration of this Contract only. CONTRACTOR shall not be reimbursed for Services provided prior to the commencement date of this Contract.
2. The COUNTY shall reimburse the CONTRACTOR on a monthly basis at a rate of \$XXXXX per one hour unit of service delivery for this Contract, with a maximum reimbursement total of \$XXXXX per month. The purpose of the maximum reimbursement is to avoid CONTRACTOR expending all of its funds prior to the scheduled end date of the Contract. Reimbursements exceeding the recommended maximum figure may be permitted on a case by case basis as long as CONTRACTOR presents an explanation of need and a reasonable plan for providing continued service for the remainder of the Contract term.
3. The COUNTY shall reimburse the CONTRACTOR within thirty days of an approved invoice using the monthly invoice form and instructions found in Attachment D of this Contract. Prompt reimbursement shall be contingent upon full contractual compliance and submittal of requisite documentation on the approved invoice form. COUNTY may withhold reimbursement if it deems CONTRACTOR to have failed to have substantially complied with the Contract terms. Ineligible expenses, expenditures not consistent with the approved budget, expenditures for Services knowingly performed where no vendor slot is available, or expenditures exceeding the monthly maximum limit will not be reimbursed.
4. Properly documented requests for reimbursement submitted to the COUNTY by the 21st of each month will be processed and, if approved, disbursed by the 15th of the next month. Requests submitted later than the 21st of each month and incomplete requests (e.g. inadequate supporting documentation) will be processed in the following reimbursement cycle. At its sole discretion, the COUNTY will deem expenditures as either eligible or ineligible for each reimbursement or advance expenditure request. The COUNTY may, at its discretion and

upon reasonable notice, require the CONTRACTOR to complete reports additional to those attached to this CONTRACT regarding the CONTRACTOR'S expenses and activities.

I. ASSURANCES

The CONTRACTOR covenants that it will not discriminate against an employee or applicant of employment with respect to hire, tenure, terms, conditions or privileges of employment, or a matter directly or indirectly related to employment, because of race, color, religion, national origin, age, sex, height, weight, marital status or a disability that is related to the individual's ability to perform the duties of a particular job or position, and that it will require the same non-discrimination assurances from any subcontractor who may be used to carry out duties described in this Contract. Breach of this covenant shall be regarded as a material breach of this Contract.

J. CONFIDENTIALITY

It is understood that work performed under this Program of Services will include access to proprietary documents and information. The CONTRACTOR agrees that confidential information about the COUNTY or its related entities will not be released, except as required by law, without the prior approval of the COUNTY. The COUNTY agrees that it will not release any of the CONTRACTOR'S materials provided or utilized during the Contract term without written permission. The CONTRACTOR and the COUNTY affirm the Business Associate Agreement included as Attachment C.

Further, both parties acknowledge that the CONTRACTOR will provide a Program of Services which includes coordination and collaboration with other organizations that provide social, health, transportation, legal and other priority services related to senior residents of Genesee County who are aged 60 years and older. The CONTRACTOR agrees to protect the confidentiality of information about persons assisted throughout this Program of Services by instituting confidentiality procedures that conform to the Privacy Act of 1974 and where applicable, handle all Private Health Information (PHI) in accordance with HIPAA.

CONTRACTOR acknowledges that the COUNTY is a public body subject to the Michigan Freedom of Information Act. Records held by the COUNTY are public unless exempted. Notwithstanding the foregoing, confidential information collected and provided to the COUNTY by the CONTRACTOR as part of its reporting requirements shall be used solely for purposes of performing and evaluating the performance of this Contract and will not be retained.

K. LIABILITY AND INDEMNIFICATION

1. All liability to third parties, loss, or damage as a result of claims, demands, costs, or judgments arising out of activities to be carried out by the CONTRACTOR in the performance of the Contract shall be the responsibility of the CONTRACTOR and not the responsibility of the COUNTY if the liability, loss or damage is caused by, or arises out of, the action or failure to act on the part of the CONTRACTOR or any employee or agent of the CONTRACTOR. The CONTRACTOR shall defend, indemnify, and hold harmless the COUNTY and its officers and employees from and against all claims, losses, damages, and expenses including but not limited to attorney's fees, arising out of or resulting from the CONTRACTOR'S performance of the Contract.

L. APPLICABLE LAWS

This is a Genesee County contract. This Contract shall be governed by the laws of the State of Michigan. Any dispute arising as a result of this Contract shall be resolved in the State of Michigan. The parties shall give all notices and comply with all laws, ordinances, rules, regulations, and lawful orders of any public authority that may have bearing on the performance of the Contract.

M. GOOD FAITH EFFORTS TO RESOLVE DISPUTES; ATTORNEYS FEES

If for any reason any portion of this Contract is in dispute, the parties will make their best efforts to resolve the dispute without resorting to litigation. Should litigation be required to resolve any dispute between the parties, the party not prevailing in the dispute will pay reasonable attorney's fees as part of any resolution of the dispute.

N. INTEGRATION

This Contract constitutes the complete understanding of the parties. No agreements, representations or understandings not specifically contained herein shall be binding upon any of the parties unless reduced to writing and signed by the parties to be bound.

O. WAIVER

Any clause or condition of this Contract found to be an impediment to the intended and effective operation of this Contract may be waived in writing by the parties, upon presentation of written justification by the requesting party. Such waiver may be temporary or for the life of the Contract and may affect any or all program elements covered by this Contract.

P. SEVERABILITY

If any provision of this Contract, or any provision of any document attached to or incorporated by reference is waived or held to be invalid, such waiver or invalidity shall not affect other provisions of this Contract.

Q. SPECIAL CERTIFICATION STATEMENT

The individual or officer signing this Contract certifies by her/his name that s/he is authorized to sign this Contract on behalf of the responsible governing board, official, or CONTRACTOR.
