

ADDENDUM #5

Project: No. 17-251
Renovations for Friend of the Court
Genesee County McCree Building
630 S. Saginaw St.
Flint, MI 48502

Architect: H2A Architects Inc.
810-412-5640

Issue Date: July 12, 2018

GENERAL NOTES

The following are changes, clarifications, and additions made in specification and working drawings prior to receipt of bids and shall be noted by the Contractor responsible for the same. All these items shall be considered part of the Contract Documents.

The general character of the work required by this addendum shall be the same as originally specified, and all incidentals required in connection with the work hereinafter described shall be included even though not specifically mentioned.

The Contractor shall be held responsible to include and adjust the work of all trades involved as required to complete the work described hereinafter. All bidders shall review Addendum as it alters the work shown on the drawings and specifications.

ITEMS INCLUDE

- Item #1: Clarification of Item #10 of Bulletin #3:
Refer to Sheet A202, Details 4A, 4B, 5A, 5B, 6, 7, 8, 9. Refer to details for tile "A" and "B" configurations. At Detail 10 provide solid surface countertops, with plastic laminate panels at toilet rooms only.
- Item #2: Refer to Sheet A201, Detail 7. Refer to detail for Acrovyn wall panel configuration. Details 2A, 2B, 3A, and 3B refer to details for tile "A" and "B" configuration. Provide solid surface counters, with plastic laminate panels at toilet rooms only.
- Item #3: Refer to Sheet A204, Details 3 and 6. Refer to details for Acrovyn wall panel configuration.
- Item #4: Refer to Sheet A206, Detail 2, North Elevation adjusted for clarity of new window locations.
- Item #5: Color Schedule updated for clarity.
- Item #6: Refer to Specification Section 09 30 23, 2.05 GROUT MATERIAL.
Provide Laticrete Permacolor Select in lieu of Spectralock for all walls and vertical surfaces.

- Item #7 Refer to Sheet A303, Elevator Machine Room. Provide one layer of 3/4" plywood, and one layer of cement on top of room in lieu of 5/8" gypsum board.
- Item #8 Refer to Sheet A301:
Provide TREP-B by Schluter for stair nosing.
- Item #9 Refer to Color Schedule:
Iris Maiolica/Arancio tile to be used at the entry wall to toilet rooms.
- Item #10 The existing fire sprinkler system is to be reused. The general contractor is responsible for hiring a fire protection sprinkler contractor to revise the existing sprinkler system to accommodate the new office area layout. The general contractor is to include that cost in their bid.

END OF ADDENDUM #5

H2A Architects

A handwritten signature in black ink, appearing to read 'G. Ananich', with a small dot above the final letter.
