ADDENDUM #1

**REQUEST FOR PROPOSALS (RFP) #18-130
CASE MANAGEMENT AND REFERRAL SERVICES FOR THE GENESEE
COUNTY OFFICE OF SENIOR SERVICES**

Questions received regarding RFP 18-130

- 1Q. Would you please let me know if the Office of Senior Services plans to eliminate program coordination and intensive case management services or if the Office of Senior Services plans to release a separate RFP for those services?
- 1A. [The Office of Senior Services will no longer provide funding for Program Coordination \(Educational Services\) and Intensive Case Management Services effective October 1, 2018. A separate RFP will not be released for those services.](#)
- 2Q. I saw that the RFP for the Case Management and Referral Services has been issued. I perused it and it lists those services being provided together. Is it possible to apply for only the intake and referral portion?
- 2A. [No – the Intake, Referral and Case Management Services must all be provided by one organization. The services will not be split between multiple organizations.](#)
- 3Q. Could you please clarify instructions to complete the reference page?
- 3A. [Genesee County is requesting that responders to this RFP list on the reference page up to three other projects that they have been involved in and that are similar in scope to the Intake, Referral and Case Management Services described in this RFP.](#)

[The reference page is separate from and in addition to the request in the RFP to provide a minimum of three letters of good standing.](#)
