Description of the Services

67th District Court Weekend Arraignment Team

McCree Building (Central Court) Genesee County Jail/ Flint Lock- Up

One team of attorneys will comprise the Weekend Arraignment Team. This team will provide client representation to indigent defendants scheduled for arraignment on misdemeanor or felony offenses.

The Weekend Arraignment Team will be expected to provide legal representation on other days that the court is not open to the public, such as holidays and other court closed days.

All weekend, holiday or other court closed day arraignments are conducted via video conferencing. Judges or Magistrates preside from the McCree Building.

The Weekend Arraignment Team may have the option of being located in the McCree Building to consult with clients and provide arraignment representation by video conferencing or go to the jail/city lock up and be present with the client when both are connected by video conference to the Judge or Magistrate for the arraignment.

The proposing attorney or attorney group must be able to verify to the satisfaction of the Genesee County Court Technology Team that they possess and can utilize technology so as to be able to communicate electronically between themselves, the court and other necessary stakeholders.

If the response proposes that the cost of acquiring or maintaining the technology is to be paid by Genesee County, specific cost and justification must be included. No decision to financially support is being made by Genesee County. Information will be considered, if included as part of the response to the request for proposals.

There were 123 days in 2017 that the courts were closed and an average of 3100 misdemeanor arraignments and 800 felony arraignments conducted. *Please note:* a defendant may be arraigned on more than one case on the same day. The data provided is number of cases, not number of defendants.

Proposals must identify a managing attorney as the point of contact for contract compliance related matters.

Successful proposers may be able to participate with the Defender Program, on a limited basis and subject to further review.
