## STATE PROPOSALS

### PROPOSAL 15-1

A proposal to amend the State Constitution to increase the sales/use tax from 6% to 7% to replace and supplement reduced revenue to the School Aid Fund and local units of government caused by the elimination of the sales/use tax on gasoline and diesel fuel for vehicles operating on public roads, and to give effect to laws that provide additional money for roads and other transportation purposes by increasing the gas tax and vehicle registration fees.

The proposed constitutional amendment would:

- Eliminate sales / use taxes on gasoline / diesel fuel for vehicles on public roads.
- Increase portion of use tax dedicated to School Aid Fund (SAF).
- Expand use of SAF to community colleges and career / technical education, and prohibit use for 4-year colleges / universities.
- Give effect to laws, including those that:
  - o Increase sales / use tax to 7%, as authorized by constitutional amendment.
  - o Increase gasoline / diesel fuel tax and adjust annually for inflation, increase vehicle registration fees, and dedicate revenue for roads and other transportation purposes.
