GENESEE COUNTY PROPOSALS**EMERGENCY MEDICAL SERVICES MILLAGE RENEWAL**

Shall there be a renewal of the previously approved authorization of the Genesee County Board of County Commissioners to levy a tax of 0.4847 mills (\$0.4847 per \$1,000.00 of taxable property valuation) upon the taxable valuation of property within Genesee County, as finally equalized, for each of the ten (10) years from 2017 through 2026, inclusive, to support Emergency Medical Services throughout Genesee County through the County Health Department?

This is a renewal of the Genesee County Emergency Medical Services Millage which expires after the 2016 levy. The estimated revenue that will be collected during the first year this millage is authorized and levied is \$4,164,532.

In Genesee County, there are local authorities that capture and use for authorized purposes tax increment revenues from property taxes levied by the County. Such captured revenue would include a portion of the proposed millage levy. The total amount of captured tax increment revenues from the proposed millage levy in the first calendar year of the levy is estimated to be \$79,328. The following such local authorities presently are expected to capture and receive disbursement of a portion of the County's property tax levy: City of Clio Downtown Development Authority ("DDA") (for the Clio Tax Increment Finance Authority); City of Davison DDA and Local Development Finance Authority; City of Fenton DDA and Local Development Finance Authority; City of Flint DDA; City of Grand Blanc DDA; City of Linden DDA; City of Montrose DDA; City of Swartz Creek DDA; Genesee County Brownfield Redevelopment Authority and Land Bank Authority; Davison Township DDA; Hill Road Corridor Improvement Authority; Mt. Morris Township DDA; Vienna Township Business Development Authority; Village of Lennon DDA; Village of Otisville DDA; and Village of Otter Lake DDA.

GOODRICH AREA SCHOOLS PROPOSALS**OPERATING MILLAGE RENEWAL PROPOSAL**

Goodrich Area Schools' existing authority to levy operating millage expired with the 2015 levy. This proposal will correct a technical error in the operating millage renewal proposition approved by the voters on March 8, 2016 and will allow the school district to continue to levy that millage in 2016 only in an amount not to exceed 18 mills on all property in the School District (except principal residence and other property exempted by law). The millage is required for the school district to receive its full foundation allowance per pupil.

Shall the millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Goodrich Area Schools, Genesee, Oakland and Lapeer Counties, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) (as a renewal of previously approved millage authorization which expired with the 2015 levy) for 2016 only to allow for the continued levy of millage to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2016 is approximately \$1,107,788?

(This is a renewal of the operating millage that expired with the 2015 tax levy and does not constitute new additional millage.)

MOTT COMMUNITY COLLEGE PROPOSALS**MILLAGE RENEWAL PROPOSITION**

Shall the previous voted increase in the limitation on the amount of taxes that may be levied by Charles Stewart Mott Community College, Genesee County, Michigan, against all property in the community college district be renewed for a total of .6410 mill (which is equal to \$.6410 per \$1,000 of taxable value of real and tangible personal property), for a period of 10 years, 2018 to 2027, inclusive, to provide funds for community college purposes? If the .6410 mill increase is approved it is estimated that the college will collect approximately \$5.7 million of revenue in the first calendar year it is levied. The proposed millage is a renewal of a previously authorized millage.

GENESEE ISD PROPOSALS**OPERATING MILLAGE PROPOSAL**

Shall the limitation on the amount of taxes which may be assessed against all taxable property in Genesee Intermediate School District be increased by .25 mills (\$.25 on each \$1,000 of taxable value) for twenty (20) years, calendar years 2016 to 2035, inclusive, for the purpose of providing funds for lifelong education, adult education, community education, training, and enrichment, and for other operating purposes, in Genesee Intermediate School District? It is estimated that the revenue the school district will collect if the millage is approved and levied in 2016 will be approximately \$2.3 million. MILLAGE RENEWAL PROPOSAL

Shall the existing Genesee District Library millage authorizations in the amount of 0.9981 mills (99.81 cents on each \$1,000 of taxable value) on all property subject to taxation in the Library District be renewed and continued for the period from 2017 through 2026 inclusive, (said millage is estimated to raise, if levied in full, approximately \$8,031,619 in the first year, subject to the tax capture provisions identified below) for the purpose of continuing the same level of public library services as currently provided in the District?

There are local authorities that are presently authorized to capture and use for authorized purposes tax increment revenues from property taxes.
