

Genesee County Prosecutor's Office

David Leyton, Prosecutor

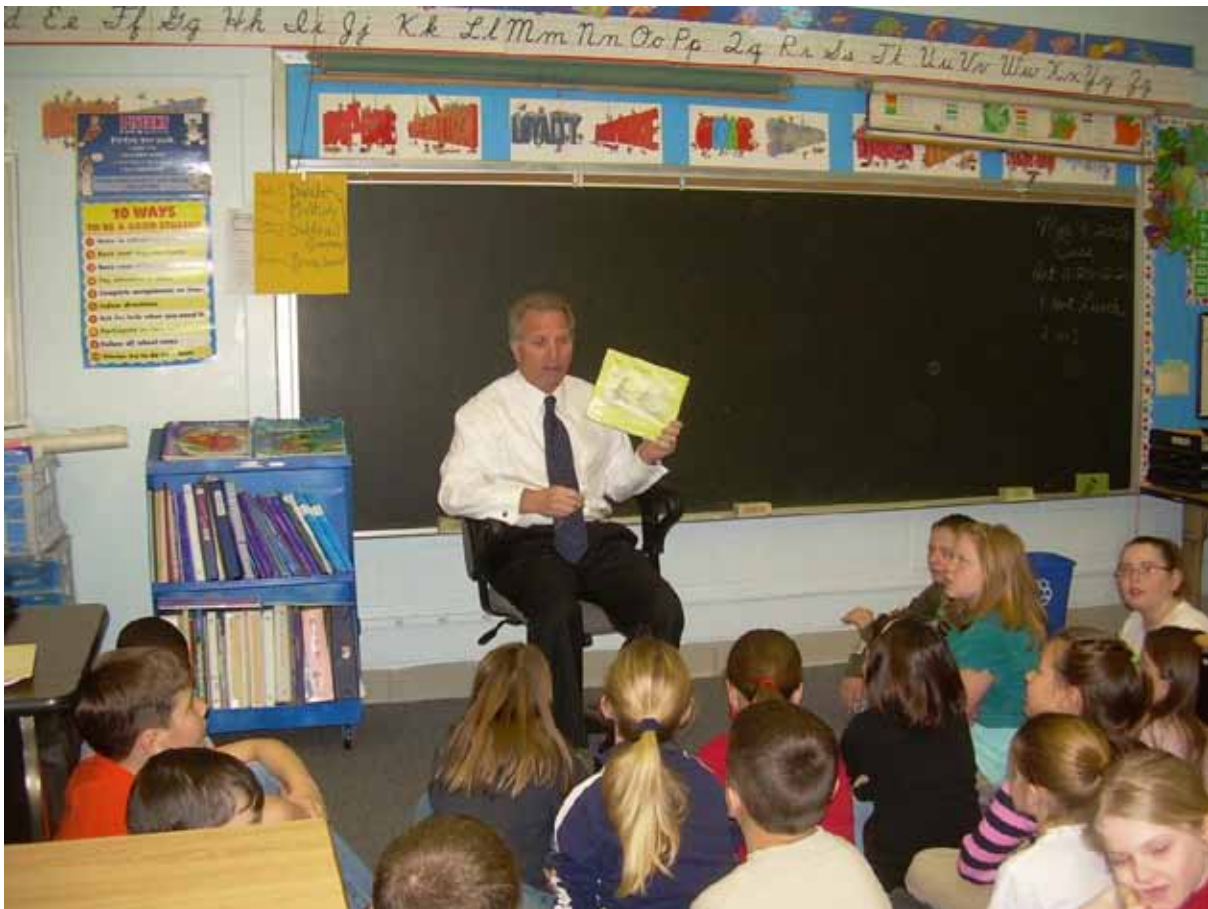

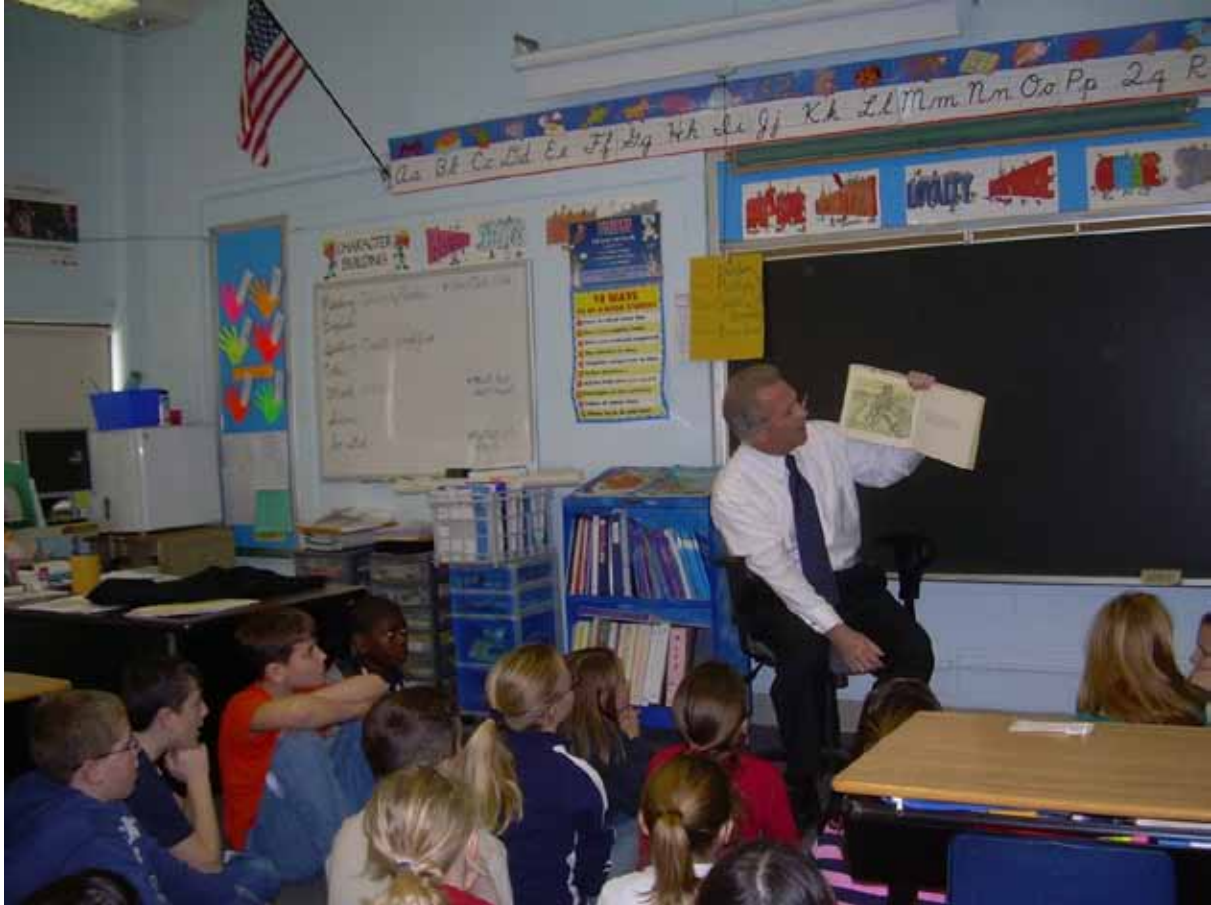

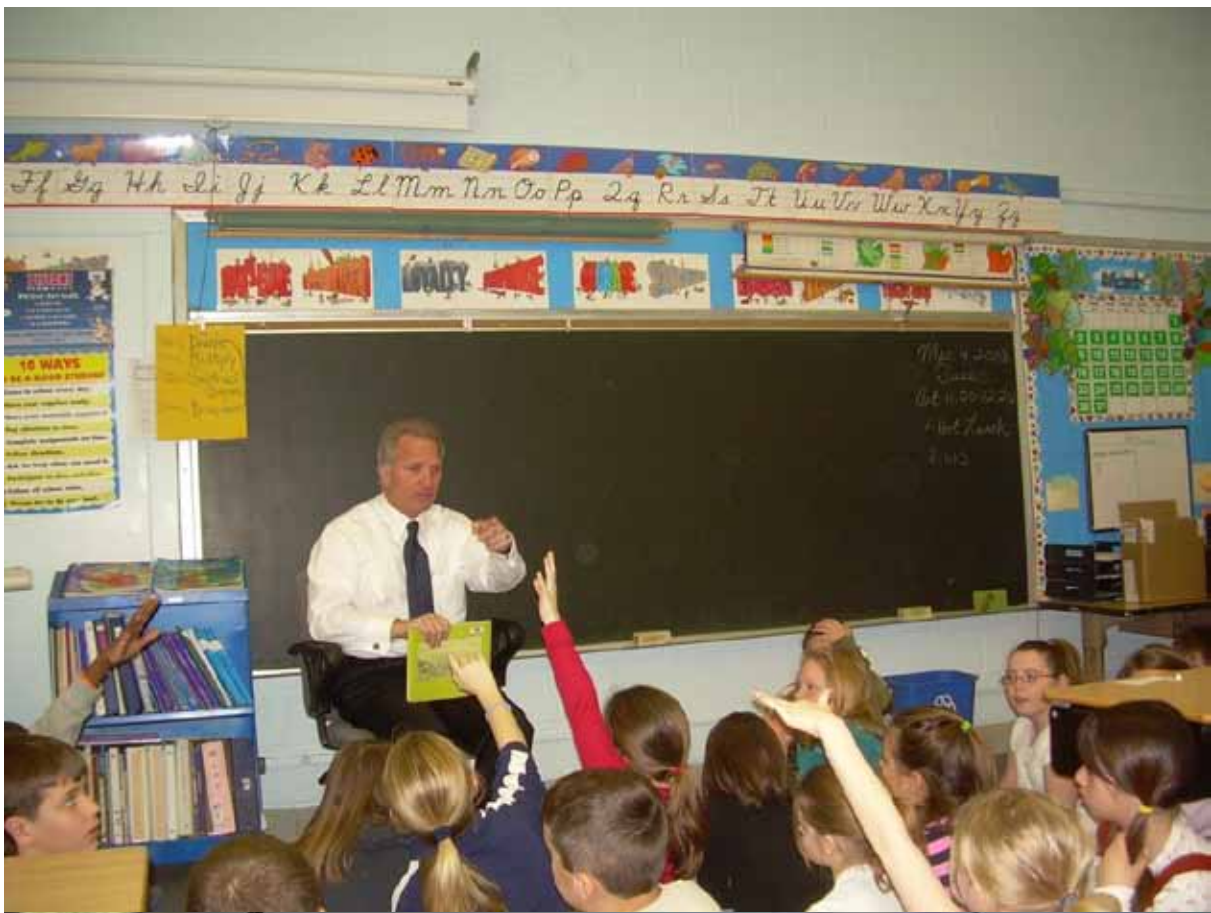

Celebrity Reader Day 2008

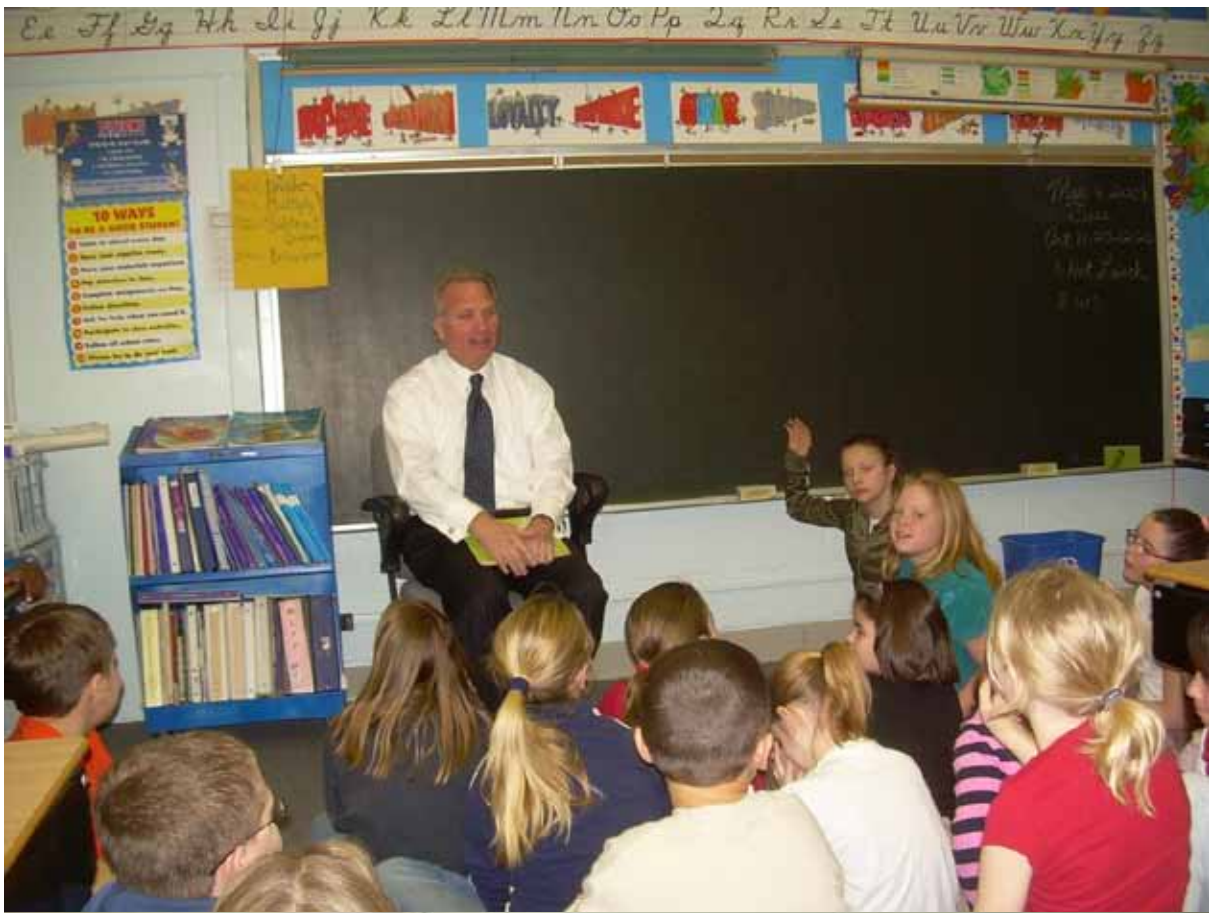

Central Elementary School - Flushing

Every Spring, Prosecutor Leyton visits Central Elementary School in Flushing to read to students as part of that school's Celebrity Reader Day program. This year, he read to Mrs. Smithson's 4th graders. In addition to stressing the importance of reading and reading comprehension with the students, Prosecutor Leyton discusses the educational steps necessary to become a lawyer and answers questions about his job as Prosecutor. Intermixed in the presentation are positive messages about doing good in school, staying away from drugs, and avoiding criminal behavior in life such as stealing, destroying property, and drinking and driving.
