## David Leyton, Prosecutor

### **GCCARD "Meals on Wheels"**

Every year, Prosecutor Leyton volunteers his time to the Genesee County Community Action Resource Department's "Big Wheels Deliver Meals" program. A spinoff of the daily GCCARD Home Delivered Meal Program (i.e. Meals on Wheels) that runs throughout the year, the "Big Wheels Deliver Meals" program allows elected officials and other community leaders to participate in this very worthy program that is so essential to the welfare of thousands of elderly citizens in our community.
