E-mail is the preferred method of contact for all inquiries concerning this ITB. No verbal interpretation to any respondent as to the meaning of any requirement stated in this ITB shall be binding on Genesee County. All responses to questions regarding this ITB shall be issued in writing and distributed as an addendum by Genesee County.

4. **Addenda:** Genesee County reserves the right to amend and provide clarification of this ITB prior to the date for bid submission. In such an event, an addendum will be posted on the Purchasing Department website (http://www.gc4me.com/Purchasing/currentbids.htm). Further, all proposers shall acknowledge having seen any and all addendums issued (1, 2, 3, etc.) on the Signature Page.

5. **Bid Considerations:** All costs incurred in the preparation of a response to this ITB or any costs prior to approval of the contract by Genesee County and formal notification to the selected proposer will be the responsibility of the respondent, and will not be reimbursed by Genesee County. Bids should be prepared simply and economically, providing a straightforward, concise description of the proposer’s ability to meet the requirements of this ITB.

6. **Responsive Bids:** To ensure proper consideration, all proposers are encouraged to submit a complete response to this ITB using the format outlined in Section 7, **INFORMATION REQUIRED FROM PROPOSERS.** In addition, at least one of the paper bids must be signed with an **original signature** of the official authorized to bind the proposer to its provisions.

8. **Withdrawal of Bid:** Bids may only be withdrawn by a proposer with written notice prior to the date and time set for the opening of bids.

9. **Validity Period:** Any bid submitted as a result of this Request for Bid shall be binding on the proposer until July 31, 2021.
10. **Right To Reject:** Genesee County reserves the right to reject any and all bids received in response to this ITB.

11. **Disclosure:** All information in an offeror’s bid is subject to disclosure under the provisions of Public Act N. 442 of 1976 known as the “Freedom of Information Act”. This Act also provides for the complete disclosure of contracts and attachments thereto. In the event that a proposer wishes to designate any portion of their submission as “confidential” or “proprietary,” the proposer must contact the Purchasing Manager prior to submission of the bid. All requests regarding disclosure and requests for confidentiality of a bid response to this ITB shall be submitted in writing and received no later than Monday, August 19, 2019 by 12:00 p.m. (EDT), to the Genesee County Purchasing Department as listed above.

12. **Errors, Omissions, And Discrepancies:** If a Proposer discovers any ambiguity, conflict, discrepancy, omission, or other error in the ITB, it shall immediately notify the Genesee County Purchasing Manager of such error in writing and request modification or clarification of the document prior to the deadline for submitting questions. Genesee County will make modifications by issuing a written addendum. The proposer is responsible for clarifying any ambiguity, conflict, discrepancy, omission, or other error in the Request for Bids prior to submitting a bid or it shall be waived.

13. **Prime Contractor Responsibilities:** The successful offeror(s) shall be required to assume responsibility for all services offered in the bid regardless of who produces them. Further, the County will consider the successful offeror to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from this request.

14. **Non-Assignability:** The contract may not be assigned, transferred, or conveyed by the Contractor without the expressed written consent of Genesee County.

15. **Independent Contractor:** It is understood and agreed to, by and between the Contractor and Genesee County, that any and all acts that the Contractor or its personnel, employees, and servants perform pursuant to the terms of the Contract shall be undertaken as independent contractors and not as employees of Genesee County by or with a contract or agreement, nor impose any liability upon Genesee County. All acts and contracts of the Contractor shall be in its own name and not in the name of Genesee County.

16. **Subcontracts:** The Contractor shall not enter into subcontracts to this Agreement with additional parties without obtaining prior written approval of Genesee County. A condition of granting such approval is that such subcontractors shall be subject to all conditions and provisions of this contract. The Contractor shall be responsible for the performance of all subcontractors.

17. **Statement of Exceptions:** The proposer shall furnish a statement on company letterhead giving a complete description of all exceptions to the terms, conditions, and specifications set forth in the bid. Failure to furnish this statement shall mean that the proposer agrees to meet all requirements set forth in this solicitation.
18. **Acceptance of Bid Content:** It is proposed that, if a contract is entered into as a result of this ITB, the ITB will serve as the basis for the contract. The contents of the bid of the successful offeror may become contractual obligations if a contract is issued. Failure of the successful offeror to accept these obligations will result in cancellation of contract award.

19. **Termination for Misrepresentation:** If the successful proposer receives a contract and is subsequently found to have misrepresented any information in its bid and/or Best and Final Offer submission, the contract may be terminated at the discretion of Genesee County.

20. **Acceptable Deviations:** The decision of Genesee County shall be final as to what constitutes acceptable deviations from specifications or requirements.

21. **News Release:** News releases pertaining to this ITB or the services to which it relates will not be made without prior written Genesee County approval, and then only in accordance with the instructions from the contract administrator. No information regarding the procurement and services shall be released without prior approval of the contract administrator.

22. **Licensing:** It is vital to this agency that any and all bidders have the appropriate State of Michigan New Vehicle Dealers License. Deviation from this specification will be cause for rejection of the submitted bid. All bidders are required to put their State of Michigan New Vehicle Dealer License Number on the Signature Page.

23. **Warranty:** All successful bidders shall provide a minimum 36-month/36,000 mile manufacturer’s warranty for each vehicle/model awarded. The warranty shall cover the complete vehicle and shall cover any and all costs for labor and parts or materials that are required to correct and repair the vehicle and all deficiencies.

24. **Prices & Payment:** All bid prices shall be on a F.O.B. destination, freight prepaid and acceptance basis at Genesee County’s specified location. These prices shall be complete and include the warranty, title fee and a complete set of factory service manuals.

    Full payment shall be made 30 days from satisfactory acceptance by Genesee County and receipt of a complete invoice from the successful bidder. Satisfactory acceptance shall occur after the unit has been received, inspected and found to be free of damage and in total compliance with the specifications as set forth in this solicitation.

**SECTION 4 – VEHICLE SPECIFICATION SHEETS & BID FORM**

**NOTE:**
1. Quantities for Genesee County vehicles have not been determined at this time.
2. The County will award the vehicles based on individual vehicle price and to multiple bidders if a single bidder is not the lowest on all vehicles. The award will be made available to all local units of government within Genesee County and related agencies. Each agency will be responsible for supplying to the selected vendor their own purchase order to initiate an order.

3. Please bid on the attached bid sheet your single vehicle bid price and return one (1) original, one (1) hard copies, and one electronic copy of your submitted bid. Option add-ons and deducts will be at dealer price per manufacturers’ price schedule, (copy of said price schedule to be furnished to Genesee County for each successful vehicle model bid upon request). Genesee County Motor Pool is equipped to service GM models and therefore will purchase only GM models. Selected vendor will only order vehicle(s) upon receipt of a purchase order from the Purchasing Department. All successful bidders shall furnish one set of factory service manuals to the Genesee County Motor Pool for each successful model purchased. Bidder is also required to complete the “Signature Page” form (pg. #10) and submit with bid.

4. Unless otherwise indicated all prices shall be FOB Genesee County Motor Pool, 914 Harrison Street, Flint, Michigan 48502, title fee included. Sales made to other local units of government will be delivered to their specified site at time of purchase.

5. **Use of Brand or Trade Names:** The use of brand names, trade names, types, styles, model numbers, stock numbers or catalogs are intended to be descriptive only and not to restrict competition, but will be used as a measure of the safety, quality and performance against which all vehicles proposed/bid shall be compared.
Please place price on this bid sheet for a single vehicle and submit with other documents (see Exhibit A for specifications):
