Genesee County (the County) continues to review the guidance that has been provided by State and Federal Government agencies in regards to COVID-19. The County’s focus is, as always, on the health and safety of our constituents, vendors, and employees. Therefore, the Purchasing Department is issuing this addendum for the purpose of announcing the following information:

- An additional pre-bid meeting for this project will be held on **Tuesday, June 2, 2020 at 10:00 a.m. (EDT)**. The meeting will take place on the Campus of Genesee Valley Regional Center (GVRC), G-4287 Pasadena Ave., Flint, MI 48504. The meeting is open to general contractors and sub-contractors. General contractors that attended the previous pre-bid video conference are not required to attend. Any general contractor that did not attend the previous meeting may attend this meeting and will be considered eligible to submit a bid for this project. The County will adhere to the State of Michigan protocols in conducting meetings of this nature. An attendance sheet will be generated and shall serve as the official document verifying attendance. This attendance sheet will be included in the post meeting addendum. Failure to attend this meeting or the previous pre-bid video conference shall result in disqualification of a General Contractor’s bid. The County will only entertain questions in regards to the site (grounds) location during this meeting. Any questions or concerns that cannot be addressed at this meeting will be addressed in Addendum #7. This is the only venue in which questions may be asked concerning the site. Questions received after this meeting will not be acknowledged.
