A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.

C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.

F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. 1. Purpose

This contract is entered into for the purpose of performing improvements to the real property located at **address** (the "Property"). The Contractor acknowledges that this project is funded through a Neighborhood Stabilization Program grant from the U.S. Department of Housing and Urban Development.

2. Scope of Work

The Contractor agrees to construct the improvements described on Exhibit A at the Property (the "Work"). The Contractor must secure at its own expense all necessary permits and licenses necessary to perform the Work, and shall perform the Work in compliance with all applicable building codes and ordinances.

3. Compensation

- 3.1 The Contractor shall be paid according to the payment schedule identified on Exhibit B. The total amount paid to the Contractor shall not exceed \$_____ (the "Contract Price"). The Contractor must provide to the County invoices according to the payment schedule in a form acceptable to the County, along with any necessary supporting documentation such as time sheets.
- 3.2 The first payment request will not be processed unless the Contractor includes with the invoice, in addition to any other required supporting documentation, a copy of any building permits required for the Work issued by the appropriate local authority.
- 3.3 The Contractor shall certify in writing with each invoice that title to all work, materials, and equipment covered by an invoice for payment will, upon payment to the Contractor, pass to the property owner free and clear of all liens, claims, security interests, or encumbrances. This certification shall be accompanied by a signed lien release from the Contractor and all subcontractors who performed work for which payment is requested. The County shall not issue payment unless such certification and lien releases are provided.
- 3.4 The County will pay the Contractor within thirty (30) days of the completion of both of the following:

- 3.4.1. Acceptance of the Contractor's invoice by the County; and
- 3.4.2. Delivery by the Contractor to the County of written release of all liens arising out of the performance of all Work and materials covered by the invoice up to the date of the invoice.

- 3.6 Acceptance of the final payment by the Contractor shall constitute a waiver of all claims by the Contractor except those previously made in writing to the Contract Administrator.
- 3.7 Withholding. The County may withhold payment if any of the following occur:
 - 3.7.1. The County has received notice of a claim by a third party against the County arising out of the Contractor's performance of the Work;
 - 3.7.2. Defective work or materials are discovered by the County and not remedied by the Contractor;
 - 3.7.3. The County has received notice that the Contractor has failed to pay any supplier or subcontractor;
 - 3.7.4. The County reasonably believes the Work will not be completed according to the Work Schedule; or
 - 3.7.5. The Contractor is in breach of any provision of this Agreement.

4. **Surety Bonds**

- 4.1 *Performance Bond.* The Contractor must provide a performance bond insuring the Contractor's performance of this Agreement.
- 4.2 *Payment Bond.* The Contractor must provide a payment bond insuring that the Contractor's subcontractors will be paid according to their subcontracts.
- 4.3 The Performance and Payment Bonds must be issued by a surety licensed to issue bonds in the State of Michigan and must have a penal amount at least equal to 100% of the total amount due to the Contractor under this Agreement. The County reserves the right to reject any surety proposed by the Contractor if the County, in its sole discretion, determines that the surety proposed by the Contractor is unable to provide adequate protection for the County.
- 4.4 For construction Contracts exceeding fifty thousand dollars (\$50,000.00) in amount, the Contractor must furnish a performance bond and a payment bond, each in an amount equal to ninety five percent (**95%**) of the total compensation to be paid to the Contractor under the Contract as security for the faithful performance of the Contract and as security for the payment of all persons performing labor and furnishing materials in connection with the performance of the Contract. The performance bond and the payment bond must be in such form as the Owner may require and must be delivered to the Owner prior to execution

5. Schedule

Time is of the essence for the completion of the Work. It is anticipated by the Parties that all Work will be completed within the time described on the Work Schedule, attached as Exhibit B to this Agreement, and that any delay in the completion of the Work described herein shall constitute a material breach of this contract. The County shall issue a notice to proceed within thirty (30) days of execution of this Agreement.

6. Contract Administrator

6.1 *Appointment of Contract Administrator.* The contract administrator for this Agreement is Sheila Taylor, Principal Planner for the Genesee County Metropolitan Planning Commission, or such other County employee as designated in writing by the County (the "Contract Administrator"). The Contractor acknowledges that the Contract Administrator is the primary County contact for notices and instructions related to this Agreement. The Contractor agrees to provide a copy of all notices related to this Agreement to the Contract Administrator.

6.2 *Change Order Authority.* The Contract Administrator may approve change orders to the Scope of Work and Contract Price upon the written request of the Contractor if the Contract Administrator determines the following:

Until final completion of the Work, the County, the local municipality, and their agents shall have the right to conduct periodic inspections of the Work and the worksite, and shall further have the right to capture photographs of the Work for publicity and record purposes. Such inspection and testing is for the benefit of the County only, and the failure of such inspection or testing to discover a defect shall not relieve the Contractor from the

obligation to correct any such defect at the Contractor's expense.

8.2 Upon receipt of written notice by the Contractor that the Work is ready for final inspection, the County will make such final inspection. Such final inspection shall not be performed until after inspection and final approval by the local municipality. If the Work appears acceptable according to this Agreement, the County will issue a certificate of completion stating that the Work has been completed according to this Agreement, and, upon receipt of the certificate of completion, the Contractor may submit an invoice for final payment.

9. Condition of Worksite

The Contractor must keep the worksite clean and free from the accumulation of waste materials and refuse caused by the performance of the Work. Upon completion of the Work, Contractor shall remove all waste materials, refuse, tools, equipment, machinery, and surplus materials, and shall leave the worksite in "broom-clean" condition.

10. Defective Work

The Contractor shall correct all defects in workmanship or materials discovered within one (1) year of completion of the Work at no cost to the County or pay the County for expenses incurred by the County in correcting the defects. Such inspection and testing is for the benefit of the County only, and the failure of such inspection or testing to discover a defect shall not relieve the Contractor from the obligation to correct any such defect at the Contractor's expense. This Paragraph shall survive termination of this Agreement.

11. Warranties

The Contractor warrants that:

- 11.1 The Work will be performed in a good and workmanlike manner and in accordance with generally acceptable practices in the construction industry.
- 11.2 For a period of one (1) year following completion of the Work, the work performed by the Contractor, and the materials and equipment provided by the Contractor, shall be free of defects in workmanship or materials.

- 11.6 The Contractor will comply with all federal, state, and local laws in the performance of the Work.

- 11.10 The Contractor and all of Contractor's employees shall not use, consume, sell, provide, or be under the influence of alcohol or any other controlled substance, except as required by a prescription from a licensed medical doctor, while present at the worksite or while performing any of the Work.

Breach of any of these warranties is cause for termination of this Agreement. The Contractor agrees to indemnify and hold the County, its officials, officers, agents, and employees harmless from any and all claims, damages, or liability, including defense costs, arising out of the Contractor's breach of these warranties. This Section shall survive termination of this Agreement.

13.2 Necessary Actions Before Suspension

If immediate suspension of the Work would cause harm, injury, or damage to persons or property, the Contractor must immediately notify the Contract Administrator of the nature of such harm, injury, or damage, and obtain written authorization from the Contract Administrator to take such necessary action as to prevent or minimize such harm, injury or damage. Actions authorized by the Contract Administrator pursuant to this paragraph are compensable.
