In order to mitigate the spread of COVID-19, to protect the public health and provide essential protections to vulnerable citizens, it is crucial that all citizens take steps to limit in-person contact. These critical mitigation measures include social distancing and limiting the number of people interacting at public meetings. Governor Gretchen Whitmer issued Executive Order No. 2020-15 on March 18, 2020 allowing remote participation in public meetings and hearings for public bodies subject to the Open Meetings Act.

**For these reasons, the Genesee County Board of Commissioners will hold these Committee Meetings virtually.**

**Any member of the public may participate in these meetings as follows:**
