GENESEE COUNTY, MICHIGAN
PROPERTY TAX MILLAGES
RELATING TO 2012-2013 PROPOSED BUDGET

The 2012 ad valorem property taxes levied and to be levied by Genesee County will be:

5.5072 mills for general purposes
0.4847 mill for emergency medical services
0.4847 mill for parks and recreation
0.7000 mill for senior services
1.0000 mill for an uninsured health services delivery system
8.1766 Total Mills

Subject to constitutional and statutory limitations and subject to any revisions hereafter authorized by the County's electorate, the County's 2013 ad valorem property taxes will be the same 8.1766 mills, with the same components and purposes, as are stated above with respect to the 2012 taxes. Constitutional and statutory limitations could require these millages to be reduced for the 2012 taxes.

The County's 2012-2013 Budget (the Budget) will be funded by a portion of the revenues from the County's 2012 summer ad valorem property tax, the revenues from the County's December 2012 ad valorem property tax, the revenues from the County's 2013 summer ad valorem property tax, and revenues from sources other than the ad valorem property tax.

The December 2012 levy will include 0.4847 mill for emergency medical services, 0.4847 mill for parks and recreation, 0.7000 mill for senior services, and 1.0000 mill for an uninsured health services delivery system.

The above identified December 2012 levies are to be used to fund the Budget, to the extent of \$3,951,933 for emergency medical services (also identified as paramedics), \$4,166,933 for parks and recreation, \$5,900,000 senior services, and \$8,153,359 for an uninsured health services delivery system.

Subject to constitutional and statutory limitations, and to any revisions hereafter authorized by the County's electorate, the County's 2013 summer tax will be 5.5072 mills for general purposes. The estimated revenues from this levy are \$37,962,467. In addition, an estimated \$5,367,163 in collections from the County's 2012 summer tax will be recognized as revenue for general purposes for use in the County's 2012/2013 fiscal year.

The mills to be levied in support of this Budget thus are 5.5072 mills for general purposes, 0.4847 mill for emergency medical services, 0.4847 mill for parks and recreation, 0.7000 mill for senior services, and 1.0000 mill for an uninsured health services delivery system, for a total of 8.1766 mills. The total revenue estimated from these mills is \$65,501,855.

The various purposes for which the above identified general purposes revenue is to be utilized are those identified in pages VI through X for which there is an amount stated in the column under the heading "General Fund." The respective amounts allocated to those purposes are those stated in that "General Fund" column.
