

## LIGHT EQUIPMENT OPERATOR

GENERAL STATEMENT OF DUTIES: Operates a truck with sewer-rodding attachment, sewer-washing attachment, or a truck with a vacuum attachment in the routine cleaning of a storm drain; performs the duties of a Drain Laborer; works under general supervision; may be required to coordinate the work activities of Drain Laborers; performs related duties as required.

STATEMENT OF TASKS:

Operates a sewer-rodding machine mounted on a truck bed used in the cleaning of sewers and catch basins;  
Operates a sewer-washing machine mounted on a truck bed used in the cleaning of sewers and catch basins;  
Operates a sewer-vacuuming machine mounted on a truck bed used in the cleaning of sewer and catch basins;  
Performs the same duties as a Drain Laborer when not performing the duties of a Light Equipment Operator;  
Makes routine repairs and performs simple maintenance to light equipment;  
Keeps records and makes reports of operations.

The statement of tasks above is intended to be sufficient to identify the class and be illustrative of the many duties that may be assigned. It should not be interpreted to describe all of the duties an employee assigned to this class may be required to perform.

REQUIRED KNOWLEDGE, SKILLS AND ABILITIES:

Knowledge of standard practices, methods, materials and proper grades used in drain maintenance and repair;  
Knowledge of traffic and safety rules and regulations, and accident prevention procedures;  
Ability to make minor repairs and perform simple maintenance to light equipment;  
Ability to physically perform the work including pushing and lifting heavy objects with or without accommodation;  
Skill in operating motor vehicles under all types of weather conditions;  
Skill in operating light equipment associated with drain maintenance and repair;  
Ability to understand and follow oral and written instructions;  
Ability to attend work regularly and work under stressful conditions.

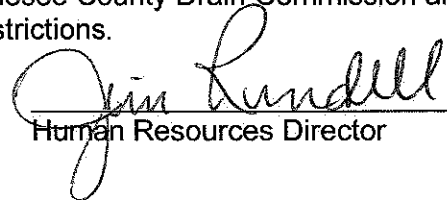

MINIMUM QUALIFICATIONS:

One (1) year of drain maintenance or construction experience including experience in the operation of sewer maintenance equipment including rodding machine, sewer washing machine and sewer vacuuming machine and a valid CDL group B driver's license with endorsement N and no restrictions;

OR

One (1) year of experience as Drain Laborer in the Genesee County Drain Commission and a valid CDL group B driver's license with endorsement N and no restrictions.
